The ACDA Code of Conduct

Our Motto: *"Love what you do. Do everything you can. Do your very best every day."*

ACDA offers classes that are non-competitive in a relaxed and friendly atmosphere. Dance, however is a demanding skill that requires and also helps to develop concentration, discipline and respect for others. In order to get the full benefit from the short time spent in class each week and create an environment in which everyone can enjoy learning, ACDA asks all students to agree to the following rules:

1. I will arrive in enough time to be ready to begin on time.
2. I will follow the dress code for my class.
3. I will treat my teacher and fellow students with respect and consideration.
4. I will focus on dance, as I understand that socializing and horseplay in class will prevent everyone from learning.
